SA04/15

## Applications

- ✓ Label trash cans or plastic bins.
- ✓ Mark dates of purchase on metal paint cans.
- ✓ Mark the date your water heater was installed and month to change HVAC filters.
- ✓ Touch up chips, scratches or rust marks on black wrought iron gates, white fences and window frame trim.
- ✓ Mark your name on folding chairs, tables & other plastic patio furniture.
- ✓ Mark larger outdoor tools and equipment with your name i.e. shovels, picks, crow bar, pole diggers, lawn mower and gasoline container.
- ✓ Touch up raised lettering on tires or mark snow tires with mounting location.
- ✓ Identify cable lines with what they connect to.
- ✓ Mark PVC piping for irrigation systems and drainage to identify pipes.
- ✓ Create *permanent* "hop-scotch" or "4-square" on asphalt or concrete.
- ✓ Draw an arrow on your gas meter to indicate which way to turn off the gas.
- ✓ Mark terra-cotta pots & plastic tags with plant names.
- ✓ Paint stepping stones with designs.

## Key Benefits

- ✓ Solidified paint marks smoothly from the first stroke.
- ✓ Twist-action paint advance and secure capping.
- ✓ Dries permanent, waterproof & fade-resistant.
- ✓ Marks on almost any surface, through rust, dust & water.
- ✓ Performs in a broad range of temperatures, hot or cold. Optimum Use: 14° - 392° F (-10° to 200°C)
- ✓ Long-lasting, no mess & no dripping.
- ✓ Safe & non-toxic.
- ✓ Alcohol based cleaners will remove ink from smooth, non-porous surfaces.
